MO 04. NOVEMBER MO 18. NOVEMBER COOKING CLASS

Late autumn | mastering the goose

Together with chef Viktoria Fahringer (Gourmetwirtshaus Tiroler Hof) we dare to approach the **St. Martins goose**. The scent, the beautiful crispy skin covering the juicy goose meat.

With tips and tricks, we prepare this **traditional** dish together.

Which side dishes flatter the goose the most and what else can we cook with the goose, is the topic in this class.

In the evening we enjoy together with matching **wines** - you are welcome to invite your company to dinner
