MO 16. DECEMBER

COOKING CLASS

Christmas time | tasting the holiday spirit

Together with chef Viktoria Fahringer (Gourmetwirthaus Tiroler Hof) we prepare ourselves for the culinary Christmas season.

The scent of oranges, cloves and cinnamon will accompany us through the afternoon.

Take home new inspirations for your christmas eve dinner at home and surprise your loved ones.

In the evening we enjoy together with matching wines - you are welcome to invite an escort here.

Attention: Limited number of participants
